### Product Details

- **Integrated Pouch**—For personal effects and/or additional mortuary products (adult size only)
- **8 mil Thickness**—For high tear resistance compared to competitive economy grade products
- **Heavy Duty Rust Proof Zipper**—With two extra long pulls for easy gripping
- **Envelope Style Zipper**—For easier insertion and removal of cadaver

### Manage Risk and Comply with OSHA Standards

- **Compliance**—Seams comply with OSHA 3130 pertaining to containment of fluids
- **Leak Proof, Heat Sealed Seams**—Prevent leakage and minimize exposure to bloodborne pathogens
- **Resistant to Blood, Fluids, Body Fats and Chemicals**—For technician safety

### Eco-Friendly—Minimizing Chemicals of Concern and Waste

- Low VOC emissions during incineration, for crematorium compatibility
- Environment friendly olefin material construction is non-chlorinated (PVC-free)
