Mort-Port™ Super-Capri™ Pants

Product Details—Convenient Fluid and Odor Containment

- **Inter Facility Cooperation**—Between funeral directors and tissue banks for simple transfers
- **Tough, Durable Construction**—For fluid and odor containment
- **Patented Port**—Allows for simple fluid removal for ease of use
- **Resealable Port**—Accommodates any size aspirator hose and eliminates need to change garments for ease of use
- **Super-Capri™ Design**—Offers extended coverage up to arm pits
- **Elimination of Spills or Leaks**—Means no need to use other consumables for cleanup
- **Drain on Demand**—Whether on table or in casket for ease of use

Manage Risk and Comply with OSHA Standards

- **Reduce Risk**—Of mortuary malpractice suits
- **Compliance**—Aides compliance to the OSHA Bloodborne Pathogen Standard
- **Avoid Damaged Reputation**—Leakage of protective garments during a viewing or service
