

PART #	SIZE	PACKAGING
ESP-3630	36" x 30"	25 pads per case
ESP-3640	36" x 40"	25 pads per case
ESP-3072	30" x 72"	25 pads per case
ESP-4672	46" x 72"	10 pads per case

## Multiple Applications

- \*Fluid Intense Procedures
- \*In Front of Scrub Sinks
- \*Organ and Tissue Recovery

### Product Details—Outstanding Absorption, Outstanding Value

- **Absorbent**—Absorbs approximately 1 gallon of fluid per square yard
- **Durable**—Strong, quilted design resists pilling, holds up to foot scuffing and stool wheels
- **Stable**—Non-skid barrier keeps the floor under the pad clean and dry for easier cleanup and improved safety

### Manage Risk and Comply with OSHA Standards

- **Compliance**—Aides compliance to the OSHA Bloodborne Pathogen Standard
- **Reduce Exposure**—To fluids per OSHA Standards for employee safety
- **Avoid Trips, Slips and Falls**—Improving safety of healthcare professionals

### Eco-Friendly—Minimizing Chemicals of Concern and Waste

- PVC-free and latex-free
- Manufactured with recycled materials
- Low VOC emissions during incineration, for crematorium compatibility
