Product Benefits

Durability for Cost Control:

- **Seamless**—No vertical or horizontal seams that can weaken over time leading to fewer replacements
- **Low Shrinkage**—Less distortion equals less replacement
- **Stronger Yarn**—EnviroCurtain is made with 100% upholstery grade filament

Cleanliness and Safety

- **No Seams**—Means fewer places for dirt, dust and microbes to collect
- **Less Pilling**—Fewer opportunities for collection of environmental transfer when curtain is moved
- **Non-Toxic**—PVC, Triclosan Free

Environmental Benefits

- **Sustainable**
- **82% post-consumer recycled content**
- **Longer life cycle reduces waste and landfill use**
